

Viewing Semester Grades

Viewing Semester Grades

Semester grades are available for students to view via NEIUport (<http://neiuport.neiu.edu>)* within one day after the deadline for faculty to submit grades. Grades are not mailed.

Consult the Academic Calendar section of the Academic Catalog for when grades are due each term.

*Only Active students who retain the ability to access NEIUport can view their grades and unofficial transcript. Once a student has missed six consecutive semesters of enrollment (summer included), NEIUport access is revoked, and students must order official transcripts to view their academic history.
