Illinois Articulation Initiative (IAI)

Northeastern is a participant in the Illinois Articulation Initiative (IAI), a statewide agreement that allows transfer of the completed Illinois General Education Core Curriculum (GECC) between participating institutions. Successful completion of the GECC at any participating college or university in Illinois assures transferring students that lower-division general education requirements for an associate or baccalaureate degree have been satisfied and allows students to transfer this portion of an associate or baccalaureate degree from one participating IAI institution to another without incurring a loss of credit. This agreement is in effect for students entering as a first time student in summer 1998 (and thereafter). For more information visit the IAI web site at <http://www.iTransfer.org> (<http://www.itransfer.org/>).

The Illinois Transferable GECC consists of 12 to 13 courses, or 37 to 41 hours of credit, within a five-category designation. The general requirements are as follows:

Those students who have not completed the entire General Education Core Curriculum prior to transferring to Northeastern will be required to complete Northeastern's General Education program. However approved IAI courses taken at participating schools will be used towards Northeastern's General Education program.

Students transferring to another institution, who have completed at least 37 semester hours, may request an audit, via the re-evaluation form request, of their records determine completion of the Illinois Transferable General Education Core Curriculum. If complete, the University will certify completion of the Illinois Transferable General Education Core requirements on the student's transcript.
