

University Without Walls (UWW)

Courses

UWW-201. Participated In University Without Walls. 1 Hour.

UWW-202. Participated In University Without Walls. 2 Hours.

UWW-203. Participated In University Without Walls. 3 Hours.

UWW-204. Participated In University Without Walls. 4 Hours.

UWW-205. Participated In University Without Walls. 5 Hours.

UWW-206. Participated In University Without Walls. 6 Hours.

UWW-207. Participated In University Without Walls. 7 Hours.

UWW-208. Participated In University Without Walls. 8 Hours.

UWW-209. Participated In University Without Walls. 9 Hours.

UWW-210. Participated In University Without Walls. 10 Hours.

UWW-211. Participated In University Without Walls. 11 Hours.

UWW-212. Participated In University Without Walls. 12 Hours.

UWW-301. University Without Walls Independent Study. 1 Hour.

University Without Walls students receive credit as they fulfill individualized curricula developed in consultation with and under the direction of the UWW Academic Advisor (or another faculty member recommended by the Academic Advisor), the UWW Community Advisor, and UWW Faculty Advisor.

UWW-302. University Without Walls Independent Study. 2 Hours.

University Without Walls students receive credit as they fulfill individualized curricula developed in consultation with and under the direction of the UWW Academic Advisor (or another faculty member recommended by the Academic Advisor), the UWW Community Advisor, and UWW Faculty Advisor.

UWW-303. Introduction To University Without Walls--First Sem Independent Study. 3 Hours.

Introduction to University Without Walls prepares students to receive credit as they fulfill individualized curricula developed under the direction of the UWW Academic Advisor (or another faculty member recommended by the Academic Advisor), the UWW Community Advisor and the UWW Faculty Advisor.

UWW-304. Contemporary Topics In Depth Area Study. 3 Hours.

This course will examine contemporary topics related to student's prior/proposed learning and depth area concentration. With the assistance of their UWW advisor, student will explore the socio-political, cultural and economic relationships between the contemporary topics they choose and their depth area. Completion of the course can be achieved through traditional research paper or other relevant project as determined by their UWW advisor.

UWW-305. Independent Study In Health Services. 3 Hours.

This individualized study course is designed for UWW students who have depth areas in health services fields (community health, health administration, healthcare systems, medical services, etc.). With the assistance of their UWW advisor, student will explore topics in the field of health services as they relate to their depth area concentrations and prior learning experiences. Completion of the course can be achieved through traditional research paper or other relevant project as determined by their UWW advisor.

UWW-306. Independent Study In Violence Prevention. 3 Hours.

This individualized study course is designed for UWW students who have depth areas in violence prevention fields (hospital responders, outreach workers, peace academy workers, etc.). With the assistance of their UWW advisor, student will explore topics in the field of violence prevention as they relate to their depth area concentrations and prior learning experiences. Completion of the course can be achieved through traditional research paper or other relevant project as determined by their UWW advisor.

UWW-307. Independent Study In Research Methods. 3 Hours.

Students will examine research methods specific to investigating prior learning/depth area processes and outcomes; including research design, theory, data collection, and reporting.

UWW-308. Independent Study In Community, Human And Social Services. 3 Hours.

This individualized study course is designed for UWW students who have depth areas in community, human service or social service fields (case managers, community service officers, family support, community outreach workers, etc.). With the assistance of their UWW advisor, student will explore topics in the field of community, human or social service as they relate to their depth area concentrations and prior learning experiences. Completion of the course can be achieved through traditional research paper or other relevant project as determined by their UWW advisor.

UWW-309. University Without Walls Field Experience Independent Study. 3 Hours.

Students will engage in in-depth experiential learning, integrating academic course work, prior learning experience, and/or on the job experience.

UWW-310. Independent Study In Recreation Services. 3 Hours.

This individualized study course is designed for UWW students who have depth areas in recreation services fields (recreation leaders, recreation assistants, event specialists, youth recreation/athletics workers, etc.). With the assistance of their UWW advisor, students will explore topics in the field of recreation services as they relate to their depth area concentrations and prior learning experiences. Completion of the course can be achieved through a traditional research paper or other relevant project as determined by their UWW advisor.

UWW-311. Independent Study In Capstone Portfolio And Review Board Preparation. 3 Hours.

University Without Walls Capstone Portfolio and Review Board is the capstone course for the UWW academic program. In this course, students will finalize their learning contract and compose an online portfolio that will be presented to a UWW board of evaluators.

UWW-312. Independent Study In Education-Related Fields. 3 Hours.

This individualized study course is designed for UWW students who have depth areas in education-related fields (paraprofessionals, teaching assistants, school office managers, etc.). With the assistance of their UWW advisor, student will explore topics in the field of recreation services as they relate to their depth area concentrations and prior learning experiences. Completion of the course can be achieved through traditional research paper or other relevant project as determined by their UWW advisor.
