

# Scholarships

Students are often faced with the dilemma of how they will pay for their education. For many, the financing of a university education becomes a barrier to learning. With this in mind, the mission is to lead in the promotion and awarding of university scholarship funds to deserving students. Therefore, the goal is to assist in lessening the financial burden that many students seek to overcome. Many of the Merit and Talent Awards are open to students regardless of citizenship status.

Students seeking additional information about scholarships should call (773) 442-4606 or e-mail [scholarships@neiu.edu](mailto:scholarships@neiu.edu) (M-Morrow@neiu.edu). Students are also encouraged to visit the Scholarships (<https://www.neiu.edu/financial-aid/scholarship-opportunities/>) website.

To be considered for Foundation scholarships awarded by the Office of Financial Aid and Scholarships, students should contact the Director of Scholarships. For all others, contact the specific academic departments as indicated below. Most opportunities are open to students regardless of citizenship status.
