Scholarships

Students are often faced with the dilemma of how they will pay for their education. For many, the financing of a university education becomes a barrier to learning. With this in mind, Scholarships' mission is to lead in the promotion and awarding of university scholarship funds to deserving students. Therefore, the goal is to assist in lessening the financial burden that many students seek to overcome. Many of the Merit and Talent Awards are open to students regardless of citizenship status.

Students seeking additional information about scholarships should call (773) 442-4606 or e-mail scholarships@neiu.edu (M-Morrow@neiu.edu). Students are also encouraged to visit the Scholarships (https://www.neiu.edu/financial-aid/scholarship-opportunities/) website.

### NEIU Foundation Scholarships and Awards

The Northeastern Illinois University Foundation annually awards thousands of dollars in scholarships and awards supported by the generous contributions of University alumni, faculty, staff and friends. Some scholarships are based on financial need. Some are merit-based, awarded to students whose ability to contribute to campus life is significant because of their academic potential or talent in a particular field. To be considered for Foundation scholarships awarded by Scholarships, students should contact the Director of Scholarships. For all others, contact the specific academic departments as indicated below. Most opportunities are open to students regardless of citizenship status. For specific criteria and eligibility requirements, students may contact the individual departments or visit Northeastern's AcademicWorks (https://neiu.academicworks.com/) website.
