The Center for Academic Writing, located in the Ronald Williams Library, is the home of the Writing Intensive Program (WIP) and part of the Learning Success Center (<http://catalog.neiu.edu/university/organization-university/academic-affairs/learning-support-center/>). CAW provides writing support to all NEIU students and WIP peer tutor support to students enrolled in WIP courses. Students can make appointments to work with a writing or WIP tutor online or in person. CAW offers workshops and consultations to departments and faculty who are developing and teaching WIP courses or who are interested in integrating writing into any course. ## Writing Intensive Program (WIP)

The Writing Intensive Program is comprised of undergraduate courses across the curriculum that fulfill NEIU's writing intensive graduation requirement. Undergraduate students must successfully complete a writing intensive (WIP) course of at least 3 credit hours within their discipline in order to graduate. Please see the text of this requirement under Bachelor's Degree Graduation Requirements (<http://catalog.neiu.edu/graduation-requirements/bachelors-degree/>) in this catalog.

Students should speak with their advisor to confirm which course(s) will fulfill the WIP graduation requirement for their major. WIP courses are content courses that are designed to help students master the course content, learn about writing in their chosen discipline, and improve their writing skills.

**The list below is a *sample* of WIP courses offered across the curriculum.** Students should review the program requirements for their major and speak with their advisor to determine which WIP courses will fulfill the graduation requirement.
