Student Disability Services (<https://www.neiu.edu/university-life/student-disability-services/>) (SDS) provides academic and technical assistance to students and works closely with faculty to facilitate student access. SDS provides students with physical and learning disabilities reasonable accommodations and services in compliance with the Americans with Disabilities Act (ADA).

To navigate through Student Disability Services pages and learn more about services, click on the How to Get Services (<http://www.neiu.edu/university-life/disability-services/how-get-services/>) option.
