State Seal of Biliteracy

As required by Illinois HB 4330, the State Seal of Biliteracy recognizes Illinois public high school graduates who have attained a high level of proficiency in one or more languages in addition to English.

Requests for translation of a State Seal of Biliteracy are to be made by contacting the Admissions Office for the request form. The course credit review will be completed by the Department of World Languages and Cultures.

Guaranteed and Dual Admission

Northeastern has agreements with many area community colleges that allow for concurrent admission to the community college and Northeastern, simplifying the transfer process. Under the agreement, students who wish to participate must meet the admissions requirements of both institutions as well as the admissions requirements of the Northeastern program in which they desire to major. Both institutions will provide students with select services to guarantee a seamless transfer process.

Students who wish to be admitted to Northeastern will submit an application to both Northeastern and one of the community colleges with which there is an agreement in place. The applications and academic credentials will be reviewed by both institutions. Students who enroll in the program will have access to Northeastern's campus and select services while attending their community college. Students must maintain continuous full- or part-time enrollment with a 2.0 grade point average to remain eligible for the dual admission program. Agreements can be found under the Dual Admissions category at <http://admissions.neiu.edu/transfer-center> (<http://admissions.neiu.edu/transfer-center/>).

Students who are interested in this program should contact the Northeastern Illinois University Admissions Office.
