Master of Arts in History

REQUIREMENTS FOR ADMISSION TO THE PROGRAM:

Applicants must fulfill the general requirements for admission to the Graduate College. In addition, they must have completed a minimum of 15 credit hours in undergraduate history, including 9 credits in upper-level history courses. (Those who do not meet this requirement may petition the Department's Graduate Advisor in writing for admission.) Applicants must also submit to the Graduate Advisor a graded paper written for an upper division, undergraduate course, preferably in history. (Those who cannot meet this requirement may also petition the Graduate Advisor in writing for admission.) The Department recommends prospective applicants meet with the Graduate Advisor for assistance in planning their graduate program.

Requirements for the Degree:

For students admitted to Master's Programs for the Fall 1997 semester and thereafter, all graduate credits must be at the 400 level, except for a limited number of 300 level courses specifically approved for graduate degree credits in a given Master's degree program. Departments may permit students to apply up to three of these 300 level courses, to a maximum of ten credit hours, to fulfill program requirements. This policy applies to all students entering graduate degree programs beginning with Fall 1997. **Consult with your program advisor or the Graduate College for details.**
