Voter Registration Information

The 1998 Higher Education Act Mandatory Good Faith Effort for the National Voter Registration Act reads, in part, that "[t]he institution will make good faith effort to distribute a mail voter registration form, requested and received from the State, to each student enrolled in a degree or certificate program and physically in attendance at the institution, and to make such forms widely available to students at the institution." The State of Illinois has provided the following link for students to use to print a voter registration form:

TurboVote

Northeastern Illinois University is committed to providing you with the information and materials you need to vote. Go here to NEIU's Turbovote site (<https://neiu.turbovote.org/register/>) and register online to vote in Illinois (you can also register if you live in another state – though online registration restrictions vary from state to state). Once you are registered in the TurboVote system it is easy to verify or update your voter registration, request an absentee ballot form by mail, and sign up for text and/or email election reminders. You can do this all for free. If you have already registered to vote, you can still sign up at NEIU's Turbovote site (<https://neiu.turbovote.org/register/>) to receive text or email reminders so you will not miss an election.
